HOW TO FULLY ENJOY CARE FOR YOU?

GREAT DEWRINKLING

10 min: Light and fast dewrinkling.
20 min: Optimal dewrinkling for most garments.
30 min: Perfect for garments that are very difficult to dewrinkle.

DEEP SANITIZING

20 min: Light sanitation. Reduces light odours.
40 min: Full sanitation. Effectively eliminates odours that are embedded in the garment and kills up to 99.99%* of viruses, bacteria and germs.

GENTLE DRYING

Gentle drying of all textiles, even the most delicate ones (in 10 to 90 min). No risk of damage or shrinkage.
